

Protecting your Screen:

- To ensure long lasting viewing enjoyment, always keep the screen rolled up when not in use.
- Keep away from direct sunlight or high temperatures.
- Examine both the front and back surfaces before retracting into the case to make sure it is free of dust, dirt, insects or other foreign matter.
- Use a soft brush or cloth to lightly remove any foreign particles.

Cleaning your Screen:

- Do not use any solvents, chemicals or abrasive cleaners on the screen surface.
- Use a mild detergent with warm water to remove any marks on the surface or screen case.
- Always immediately dab the screen with a soft cloth to avoid soap marks.
- Do not scrub the surface.

Warranty: 12 Months

Grandview Motorised Rising Screen
User's Manual

To the Owner:

Congratulations on purchasing a Grandview Motorised Rising Screen, designed to produce the sharpest, most pleasing pictures with maximum convenience.

Important Notes:

- Please read this instruction manual before use
- Please do not attempt to adjust or repair the product. You will void the warranty
- Please retain this Instruction manual for future reference
- Ensure the screen is always set up on even surface
- Never store the screen vertically
- Never operate with anything on top of the screen

Operational Instructions

Step 1

Lie the screen flat on the floor as shown.

Step 2

Remove the components from the left hand side compartment as shown below.
(Push the remote to release it from the compartment)

Step 3

Connect the screen to the power using the power cord

Step 4

Using IR Remote

Your remote control comes with batteries installed.

To operate your remote:

Press ▲ to lift the screen

Press ● to stop the screen

Press ▼ to lower the screen

▲ ▼ The Micro switch is used for retracting or lowering screen in small increments.

Alternatively you may also use the external IR receiver cable and sensor.

Plug the IR receiver cable into the IR Port on the casing and mount the sensor in line of sight with the remote.
