

# Specifications for LP Morgan CineTheatre Club Lounge - Curved

## Features

- Leather where it counts - All leather seat and arms, and leatherette back and sides.
- Fully motorised reclining mechanism.
- Modular approach - Your choice of single seat, two seater, three seater, four seater or even more.
- Each chair arm is fitted with a cup holder.
- LP Morgan Club Lounge features a two stage recline process. First stage, the foot stool extends, then stage two, the back seat reclines. When fully extended the back of the seat requires an additional 175mm of space and in front an additional 550mm of space.
- In the Club Lounge Curved series, when joining multiple seats the arm is a wedge shape to create that real in-the-round theatre experience.
- Club Lounge is also available as a straight row, for when there is not enough room to fit the curved set.
- A love seat model has been added to the range.
